## BASIC CARPENTRY - BUILDING WOODEN FURNITURE

Talent Maker City is partnering with Girls Build to host a series of workshops for students in the Phoenix-Talent School District to construct much needed furniture for families who were impacted by the Almeda Fire.

These hands-on workshops will focus on basic carpentry skills and provide students with an opportunity to positively contribute to their community in the aftermath of the wildfire devastation - and provide families with needed furniture like beds, desks, and bookcases. *Students must be between ages 11-17*

## CARPINTERÍA BÁSICA - CONSTRUCCIÓN DE MUEBLES DE MADERA

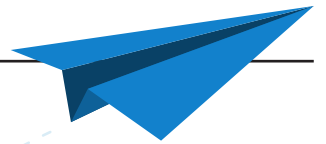

Talent Maker City se ha asociado con Girls Build para organizar una serie de talleres para estudiantes en el Distrito Escolar de Phoenix-Talent para construir muebles muy necesarios para las familias que fueron afectadas por el incendio de Almeda.

Estos talleres prácticos se centrarán en las habilidades básicas de carpintería y brindarán a los estudiantes la oportunidad de contribuir positivamente a su comunidad después de la devastación del incendio forestal, y brindarán a las familias los muebles necesarios como camas, escritorios y estanterías para libros. *Los estudiantes deben tener entre 11 y 17 años.*
